

General Terms and Conditions of the Euro Disney Club

Applicable as of July 25th, 2025

The Euro Disney Club (the “Club”) brings together former shareholders of Euro Disney S.C.A. who meet the following cumulative conditions:

- A former shareholder in Euro Disney S.C.A.,
- A former member of the Euro Disney S.C.A. Shareholders Club,
- A former holder of a Euro Disney S.C.A. Shareholders Club Card active in 2017 and beyond (the “Member(s)”).

Any person who does not meet the above conditions thus cannot join or renew their membership (i.e. people holding a card that expired before 2017).

Only Euro Disney Club Cards, valid until 31 December 2027, give access to the services and benefits associated with the Club. The mere fact of being a Member of the Euro Disney Club implies the unconditional acceptance of these General Terms and Conditions and the Salon Mickey rules of procedure, which form an integral part thereof (these rules of procedure are available directly at Salon Mickey and on the corporate website: disneylandparis-news.com).

Services and Benefits

Under certain conditions, the Euro Disney Club Card gives access to a range of services and benefits, including discounts at Disneyland Paris.

These services and benefits are reserved for Club Members and their guests if applicable under the conditions defined below, upon presentation of their Euro Disney Club Card on site (it being specified that for benefits requiring prior booking, Club membership must also be stated at the time of booking), under the conditions defined by the Euro Disney Club and detailed below.

The benefits associated with the Euro Disney Club Card cannot be combined with any other offers or discounts, and may be altered without notice.

The Euro Disney Club Card is non-transferable and strictly reserved for its Members. Identity checks may be carried out to verify that its use is in compliance with the rules.

The Club must be informed of any change of contact details as soon as possible.

The Euro Disney Club Card is non-transferable, non-exchangeable and non-assignable. It does not give access to the Disney® Parks, nor free access to the Disney Car Park, nor access to the Disney Hotel car parks.

In the event that the Euro Disney Club Card is lost or stolen, please inform the Club as soon as possible by letter or e-mail to obtain a new card, it being specified that its issuance is subject to issue and dispatch processing times.

To benefit from the services and benefits reserved for Club Members, **the Euro Disney Club Card must be presented on site** (it being specified that for benefits requiring prior booking, Club membership must also be stated at the time of booking).

Events

On select occasions, Euro Disney Club members may be invited to events that are organized by Disneyland Paris. The Club members will be informed of the organization of these events by email – **via the email address provided to the Club** – and in the **Facebook Groups open to Euro Disney Club members**. Registrations for these events will take place on a **dedicated digital platform**, the link of which will be specified in the communications sent out and posted by the Euro Disney Club team. Registration is **subject to spot availability**. People who register for a given event **will not be able to attend the next event** to ensure fair access to events for all of the Club members. In the event of a change of plans, any member registered for a given event will be deemed to have attended that event if they have not sent an email to cancel their registration to the Club at least three (3) business days prior to said event; and therefore, they will not be authorized to register for the next event.

Euro Disney Associés S.A.S. reserves the right to organize events intended for the Club members or not, and to invite them to events intended for a wider audience or not.

Loss of Euro Disney Club membership

Any fraudulent or illegal use of the Euro Disney Club Card, any violation of these General Terms and Conditions, **any non-compliance with the Salon Mickey rules of procedure⁽¹⁾** as well as **any non-compliance with the Disneyland Paris site's rules of procedure⁽²⁾**, especially in cases of disrespectful, impolite, discourteous, insulting, or otherwise inappropriate behaviour or remarks **from the Member of the Club and/or their Guests** towards Disneyland® Paris Cast Members, may result in **permanent exclusion from the Club**, without notice.
