

THE CRAFT BEHIND THE ADVENTURE

WALT DISNEY IMAGINEERING PARIS BROUGHT DISNEY ADVENTURE WORLD TO LIFE ALONGSIDE NEARLY **400 ARTISANS AND EUROPEAN SUPPLIERS**. AN EXTRAORDINARY SHOWCASE OF **CRAFTSMANSHIP** THAT DEFINES THIS REMARKABLE CREATIVE JOURNEY.

COUACH CONSTRUCTION NAVALE ARCACHON (FRANCE)

120 years of naval expertise to develop de floating bases of three longships for the show *A Celebration in Arendelle*.

PRELUD DIJON (FRANCE)

French decorative arts workshop that crafted Kristoff's longship with hand-molded and hand-painted decorations over a six-month period.

ROYAL DELFT NETHERLANDS

Since 1653, Royal Delft has mastered the art of Delft Blue, hand-painting each plate through a unique, centuries-old craft. A magical transformation of cobalt into iconic blue, perfectly echoing the enchantment of Disney Princesses.

DRONISOS BORDEAUX (FRANCE)

In partnership with Dronisos, Disneyand Paris official technology provider, more than 350 new aerial and aquatic drones have been designed for *Disney Cascade of Lights*. A spectacular innovation that brings entertainment closer to guests than ever before.

SCHAFFNER STRASBOURG (FRANCE)

For seven generations, Schaffner's workshops have shaped metal with mastery born from fire and forge. An exceptional Alsatian craftsmanship that brought the majestic canopy of *The Regal View Restaurant & Lounge* to life.

UK LOCO UNITED KINGDOM

Together with Walt Disney Imagineering Paris, the UK's premier company in creative engineering, UK Loco, brought Arendelle Castle to life through over a century of creative mastery. An exceptional craftsmanship that pushes immersion in the World of *Frozen* to unprecedented heights.
